QB Elite is an opportunity for the top offensive players within the NW Football Program to develop their skill/craft. The main emphasis for the 3 sessions will be to help improve throwing mechanics, footwork, stances, agility, ball security, and the basics of the NorthWood offensive playbook.

While learning the Quarterback Position, each player attending will be learning the Wide Receiver position, and at times, the Running Back position. This fits the program philosophy of developing potential quarterbacks while allowing players to improve their overall football skill set.

QB Elite is a cornerstone of our programs player development process. We are extremely excited to build relationships with each player involved while expanding the rich tradition of NorthWood “Black Crunch” Football. This is a free opportunity to attend and improve!

Please confirm via email that your son plans to attend at least portions of this opportunity @ (bboocher@wanee.org) so we can plan accordingly.
